## WHAT IS A VIRTUAL AUCTION?

A virtual auction is a convenient way to purchase items online from the comfort of your home or office. Our staff has gone onsite to get a detailed description of each item as well as multiple photos/videos, and we have posted all of the information on our website.

On auction day, we will have a live auctioneer calling the bids from our headquarters in Pelzer, SC. *After registering your online bidding account you will be able to sign in and place your bid in real time when the auction opens from your home or office, even from your iPad.* This is not a timed auction in which you have several days to bid.
